2025 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The Reagan Ranch Metropolitan District No. 3 (“the District”), a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by order and decree of the District Court for the City of Colorado Springs, El Paso County, Colorado on August 25, 2020, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes).

The District was organized to provide for the planning, design, acquisition, construction, installation, relocation, and redevelopment of public improvements. The District is the Operating District organized in conjunction with two other related Financing Districts – Reagan Ranch Metropolitan District No 1, 2 and 4. The District serves as the Operating District which will pay all vendors of and receive reimbursement/contributions from the Financing Districts. All other Districts are the Financing Districts which will levy ad valorem taxes on taxable properties within each District and assess fees, rates and other charges as authorized by law. The District’s service area is located entirely within the City of Colorado Springs, El Paso County, Colorado.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District’s Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer’s election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenues – (continued)

Property Taxes – (continued)

For property tax collection year 2025, SB 22-238, SB 23B-001, SB 24-233, and HB24B-1001 set the assessment rates and actual value reductions as follows:

Category	Rate		Category	Rate	Actual Value Reduction	Amount
Single-Family Residential	6.70%		Agricultural Land	26.40%	Single-Family Residential	\$55,000
Multi-Family Residential	6.70%		Renewable Energy Land	26.40%	Multi-Family Residential	\$55,000
Commercial	27.90%		Vacant Land	27.90%	Commercial	\$30,000
Industrial	27.90%		Personal Property	27.90%	Industrial	\$30,000
Lodging	27.90%		State Assessed	27.90%	Lodging	\$30,000

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District’s share will be equal to approximately 10% of the property taxes collected.

Intergovernmental Revenue

The three Districts’ administrative expenditures such as legal, accounting, management, insurance, including costs of snow removal and landscape maintenance, are being paid by the District. The District anticipates receiving net revenues collected from District No. 1, District No. 2 and District No. 4’s operational mill levy assessment to cover a portion of these costs.

Developer Advance

The District is in the development stage. As such, the operating and administrative expenditures will be mainly funded by The Equity Group (Developer). A major portion of the capital expenditures are also expected to be funded by the Developer. Developer advances are recorded as revenue for budget purposes with an obligation for future repayment when the District is financially able to reimburse the Developer from bond proceeds and other legally available revenue.

Expenditures

County Treasurer’s Fees

County Treasurer’s fees have been computed at 1.5% of property tax collections.
